

Willemstad – Netherlands Antilles, October 10th 2022

As a result of the increased terminal and handling costs, Seacat will increase the existing Terminal Handling Charge for the Port Logistics Refrigerated Services (“PLRS”) terminal in the port of Tampa (Florida, USA) by U\$ 100.00/container of any type, effective November 10th 2022. This increase will be applicable to both northbound and southbound containers.
