

Willemstad – Netherlands Antilles, September 8th 2023

As a result of global increases for marine fuels prices, Seacat will increase the combined BAF/ESF for 40ft containers (any type) to a new amount of US\$ 552/container, whilst for 20ft containers (any type) the new amount will be US\$ 276/container.

This reduced BAF will be effective as of October 6th 2023 on both the Moin-Tampa as well as the Moin-Manatee service.
