

Willemstad – Netherlands Antilles, December 5th 2023

As a result of global increases for marine fuels prices, Seacat will increase the combined BAF/ESF for 40ft containers (any type) to a new amount of US\$ 615/container, whilst for 20ft containers (any type) the new amount will be US\$ 307,50/container.

This increased BAF will be effective as of January 5th 2024 on both the Moin-Tampa as well as the Moin-Manatee service.
